

## COFFEE BLISS

### 1. screenshots of JS Validation:-

The screenshot shows a web-based table reservation system for 'COFFEE BLISS'. At the top right, there is a navigation bar with links to Home, Menu, About, and Contact. Below the navigation, the title 'Table Reservation' is centered. The form consists of several input fields: a name input containing 'vishva', an email input containing 'vishva.varsakia99@' which has a red validation error message below it stating 'Please enter a part following "@". "vishva.varsakia99@" is incomplete.', a number input containing '2', and a text area for 'Special Request'. A large brown 'Book Now' button is at the bottom of the form.

*Fig 1.1 JS Validation: Email pattern*

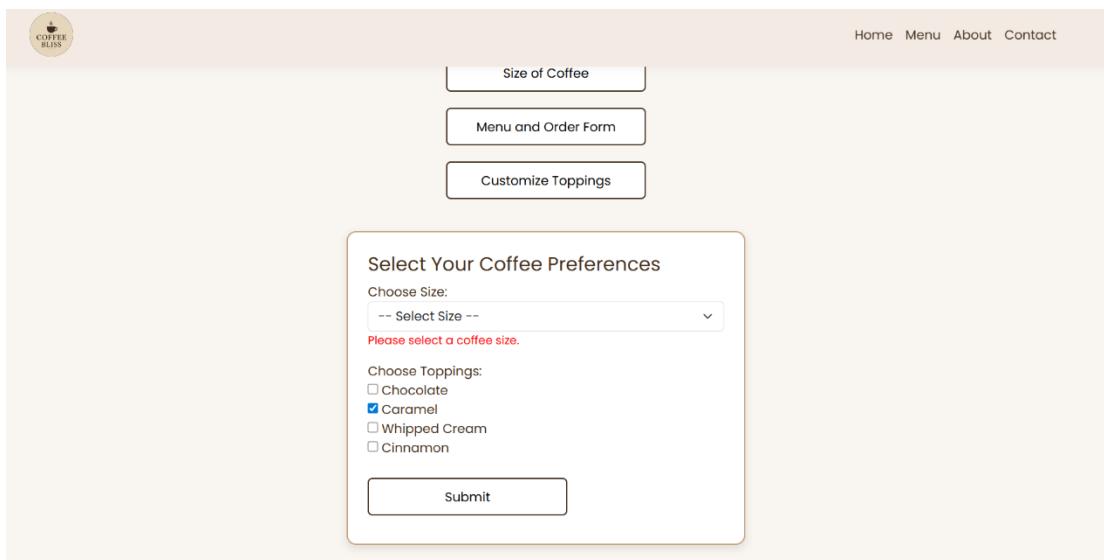

The screenshot shows a web page for 'COFFEE BLISS' with a navigation bar at the top. Below it is a section titled 'Table Reservation' containing several input fields:

- A text input field with the value 'vishva'.

Submit

*Fig 1.3 JS Validation: required size of cup*

The screenshot shows a web-based table reservation form. At the top left is a logo for "COFFEE BLISS" featuring a coffee cup icon. To the right are navigation links: Home, Menu, About, and Contact. The main title is "Table Reservation". The form consists of several input fields: a first name field containing "vishva", a last name field containing "vishva.varsakia99", and a date field showing "17-11-2021 --:-". A validation message next to the date field reads "Please enter a valid value. The field is incomplete or has an invalid date." Below these are two more input fields: "Number of People" and "Special Request". At the bottom is a large brown "Book Now" button.
